A Message from Colleen Low Larkin, Managing Editor.

March Madness has struck the JDEtips team this week: We'll start with these updates to our library.

*Double up on [JDEtips Training Manuals](#). Now through March 31, they're **buy one, get one free**. Manuals are available in both hard copy and eManual versions.*

E1W

Distribution / Advanced Pricing: How to Reduce the Number of Adjustments on an Adjustment Schedule, by Emerson Snider

Adjustments can quickly turn into weeds that choke your Adjustment Schedule garden. We've got some tips to help you prune.

E1W

Distribution / Sales Order Management: When Sales Update (R42800) Goes Bump in the Night, by Tim Scott

Combat those dreaded Sales Update error messages with solid knowledge on what causes them and how you can prevent them.

E1W

Manufacturing Accounting: Product Costing - Best Practices, by Heering

Lighthart

Get a leg up on effective product costing maintenance with these tips on costing security, "Last In" calculations, working with multiple branches and historic costs.

E1

Technical / Customizing EnterpriseOne: Business Function Error Handling in UBEs, by Brian Oster

BSFN errors do happen in UBEs, but often not before the user has continued processing as usual. Bring those errors out into the open sooner with this tip--code included to get you started.

E1

Technical / Customizing EnterpriseOne: Grid Icons: An Introduction, by Venkat Ramanan

Would your users like more meaningful visuals to represent grid data? We'll show you how to make that happen with grid icons.

E1W

Technical / Security: JDE Security (Webucation Event), by Brian Conner

Learn the main functional JDE security types, how they work, and how you can make sure your security is tight. This Webucation presentation details all this and more.

Hot News:

Be sure to get even more value out of your JDE system with our [recommended software partners](#), carefully assessed by the JDEtips team.

Connect with us:

Our [JDEtips University Spring Training](#) session is in full swing. Even better news, all classes are "**Guaranteed to Run**". Book your training with confidence that your class will go on as scheduled.

April means it's time to COLLABORATE and JDEtips will be in Las Vegas in full force! Meet JDEtips President Andy Klee, along with Sandy Acker, ERP Solutions Manager, and Gabe Ramos, our Marketing Liason, at the conference. Visit Booth #927 and join us for the following sessions:

#96730 - JD Edwards Users For Better Education Knowledge Transfer Summit

Panel discussion hosted by Terry DeMoure, President, Houston RUG
Andy Klee will be on the panel, along with representatives from other JDE training practices, including Oracle University.
Date: Sunday, April 22 -- 2:10 pm - 3:10 pm

#98890 - Knowledge Transfer: Make it Happen

Presented by Andy Klee and Steve Phillips, Candle-Lite
Date: Sunday, April 22 -- 3:20 pm - 4:20 pm

#96550 - Financial Report-Writing Made Easy - From JDEtips

Presented by: Penny Allen, JDEtips ERW Instructor/Consultant, and Barb Osborne, Continental Materials
Date: Tuesday, April 24 -- 4:30 pm - 5:30 pm

Do you have an interesting solution or advanced knowledge you'd like to share? We pay \$1000 for each published JDEtips Journal article. If you're interested in writing for us and would like to see our list of topics needed—or if you already have a great topic idea--please drop me a line! I'd love to hear from you.

Until next time...

Colleen Low Larkin
JDEtips Managing Editor
