**Financials: Mapping Old to New: Global Updates for Business**

**Units/Accounts/Subsidiaries**, by Lisa A. Walsh

The situation: New company acquired, new financial reporting needs must be met. The solution: Let the Global Updates help you map it all in JDE; this article serves as your guide.

**E1W**

**HR: Benefit Plans and Options: Recalculating Rates Using Batch Enrollment,**

by Sarah Mills

Lots of benefit changes? This tip shows how to make batch rate changes efficiently and accurately.

**E1**

**Technical / Customizing EnterpriseOne: JDE Xe to EnterpriseOne 9.0 Upgrade from a Development Perspective,**

by Brian Oster

What's involved in a successful 9.0 upgrade, from a developer's perspective? From preparation to go-live, with lessons learned along the way, this article documents the experience of one company's development team as they migrated from Xe to 9.0.

**E1**

**Technical / Customizing EnterpriseOne: Creating Work Order History using Table Triggers,**

by Jeff Saenz

There may not be such a program as Work Order History, but don't let that stop you from tracking who has been doing what in your Work Orders. This tip shows how it can be done, with minimal coding required.

**E1**

**Technical / Customizing EnterpriseOne: EnterpriseOne OMW Tips,**

by Mike Wright

A great collection of basic and advanced tips on Object Management Workbench to help you manage your development projects with greater ease.

**E1W**

**Technical: The ABCs of Enterprise Hosting (Webucation Event),**

by JDEtips with Mark Goedde

We've all heard about "the cloud" but what the heck is it? Learn how a cloud-based infrastructure, along with Enterprise hosting, managed services, and SaaS, can save your team time and money when it comes to running JD Edwards.

**E1W**

our training classes. They'll share their knowledge with your team while assessing your business needs and providing you with the solutions you need. [Email](#) or call Andy Klee at 1.877.832.2594, x210.

Be sure to get even more value out of your JDE system with our [recommended software partners](#), carefully assessed by the JDEtips team.

#### **Hot News:**

Do you have [JDEtips Training Manuals](#) on your wish list? Starting December 8, the first 200 manuals purchased through December 31 will be sold for **25% off** the regular price. Manuals are available in both hard copy and eManual versions. Remember, this is a limited quantity offer—**only the first 200** manuals purchased during this time will receive this discount.

We've announced our [JDEtips University Spring Training schedule](#), which you can see to your left. Included in this session is our half day virtual [Accelerated Developer-Beginner](#) class, January 16-26. We introduced this new half day schedule during our Fall session and received [rave reviews](#) from those who attended.

Do you have an interesting solution or advanced knowledge you'd like to share? We pay \$1000 for each published JDEtips Journal article. If you're interested in writing for us and would like to see our list of topics needed—or if you already have a great topic idea—please drop me a line! I'd love to hear from you.

Until next time...
