Content provider's, member's or user's name, address, telephone number, and, if available, email address, and a statement that such person or entity consents to the jurisdiction of the Federal Court for the judicial district in which the content provider's, member's or user's address is located, or, if the content provider's, member's or user's address is located outside the United States, for any judicial district in which Company is located, and that such person or entity will accept service of process from the person who provided notification of the alleged infringement.
