Event Rules Design _____	142
Print Event Rules _____	158
Validate Event Rules _____	158
To Save and Validate ER _____	158
Understanding Asynchronous Processing _____	159
Error Handling _____	160
Visual Quality Checklist _____	160
Debug Interactive Application _____	161
Overview _____	161
Debug Interactive Applications _____	161
Understanding Processing Options _____	171
Overview _____	171
Create Processing Options _____	172
Select Data Items _____	175
Processing Option Description _____	178
Adding Help Text _____	180

Attach to an Application _____	181
Add Version to Application _____	182
Beginner Exercises Overview _____	187
Exercise Naming Standards _____	187
Object Management Workbench _____	189
Business Requirement _____	189
Objective _____	189
Exercise _____	189
Create an OMW Project. _____	189
Users and Roles _____	190
Objects _____	190
Tokens _____	190
User Defined Codes _____	191
Business Requirement _____	191
Objective _____	191
Exercise _____	191
Add UDC Table Entries _____	191
Data Dictionary _____	193
Business Requirement _____	193
Objective _____	193
Exercise _____	193
Add Data Dictionary Items _____	193
Table Design Aid _____	195
Business Requirement _____	195
Objective _____	195
Exercise _____	196
Create and Generate Tables _____	196
Business View Design Aid _____	199
Business Requirement _____	199
Objective _____	199
Exercise _____	200
Create Business Views _____	200
Form Design Aid _____	201
Business Requirement _____	201
Objective _____	201

Exercise	202
Create Item Master Application (Instructor Led)	202
Create Item Branch Application	205
Create Search Select	208
Enhancing Item Branch Application (Instructor Led)	209
Enhancing Item Master Application	210
Add Table IO to Item Branch Application (Instructor Led)	210
Add Headerless Detail to Item Master Application (Instructor Led)	211
Add Headerless Detail to Item Branch Application	213
Processing Option Design Aid	215
Business Requirement	215
Objective	215
Exercise	215
Create Processing Option for Item Master (Instructor Led)	215
Create Processing Option for Item Branch	216
Beginners Class Case Study	217
