

TRAINING TESTIMONIALS

Comments about JDEtips Public and Private Training Engagements

FINANCIALS MODULES

Basic Financials – May 2014

A. Hong, RiceTec —

“Lea was the best part of the training. One of the best instructors I’ve had the pleasure of working with. She’s very nice, knowledgeable, patient and helpful. Even after class she was very willing to help and research issues we had.”

Fixed Assets – Apr 2014

C. Francis, Gov of Bermuda —

“The demo system, instruction and manual are first class.”

Accounts Payable – Mar 2014

D. Hill, Assa Abloy —

“This is the only training I have had and it was AWESOME!”

Accounts Payable – Mar 2014

C. Jackson, Assa Abloy —

“We were shown JDE from beginning to end. By this I mean set up type functions that we have never been shown.”

MANUFACTURING AND DISTRIBUTION MODULES

Advanced Pricing – Mar 2014

K. Montgomery, Paul Mueller —

“This is one of the better classes I have attended. This class explained quite a few of the ‘why is this done?’ questions that I had prior to attending.”

Manufacturing I – Mar 2014

M. Greene, Trex Company —

“Jim was great. Our class was knowledgeable of JDE and he changed the method to accommodate the class.”

Manufacturing Planning – Mar 2014

R. Fehrmann, SERVAgrou —

“Very good, all the training I have taken through JDEtips has been excellent.”

Manufacturing Accounting – Apr 2014

M. MacKinnon, IMP Group —

“Good training material that can be used for reference once class is completed.”

Procurement – Jan 2014

B. Campbell, Spirent — *“The documentation was excellent.”*

Sales Order Management – May 2014

T. Mahajan, Bolthouse Farms — *“JDEtips training was in depth and very helpful. Expert instructor and manual.”*

TECHNICAL MODULES

Accelerated Developer Beginner – Apr 2014

P. McCullough, CSS Industries — *“The online class was a great idea!! Learn and still be able to get to your everyday work.”*

Accelerated Developer Beginner – May 2014

C. Francis, Gov of Bermuda — *“This training is comprehensive and provides the tools that are necessary for development.”*

Accelerated Developer Advanced – Jun 2014

N. Lerner, Land O' Lakes — *“I felt this was superior to other JDE training classes. The training environment is more interactive, and instructors are able to participate directly with student desktops, which gives a very “in-person” feel to an online class.”*

O. Norstrom, City of Kamloops — *“Good quality for a good price.”*

Accelerated Developer Beginner – Jan 2014

D. Carver, Allegheny County — *“Instructor did an excellent job and really knows JDE very well. He was able to troubleshoot and answer any question or problem that anyone had.”*

Accelerated Developer Beginner – Feb 2014

R. Bates, Choctaw Nation — *“The instructor and manuals are wonderful.”*

CNC – Jun 2014

A. Lopez, Spirax Sarco Ltd — *“JDEtips consistently provides the best manuals. No exception here.”*

ERW I – Feb 2014

A. Block, Titan Machinery — *“Penny was great, she never missed a beat, she was considerate of all training levels and made sure we were all taken care of at our own speeds. She was awesome!”*

ERW I – Jun 2014

B. Nelson, Stryker — *“Everything was perfect.”*
